Region 16 Opioid Abatement Council Grant Application

Use this application to request Region 16 opioid abatement funding for programs or projects serving El Paso and Teller Counties. Applications must align with the Council's strategic priorities and the Colorado opioid settlement allowable uses. Proposed work should be evidence-based or evidence-informed, address documented needs, include measurable outcomes, and support regional accountability and reporting.

Organization Information

Name

- ☐ Recovery support services
- ☐ Prevention / education
- ☐ Overdose response / harm reduction
- ☐ Family support services
- ☐ Justice-involved populations
- ☐ Services for children
- ☐ Community coordination / data systems
- ☐ Research / evaluation

Project Narrative

Please provide a brief description your organization, the proposed project, and the community need it will address. **(Required)**

Include: Organizational mission, relevant services, need being addressed, and how opioid settlement funding will be used.

Max: 450 words

Please describe the evidence supporting the proposed program or intervention, including whether it is evidence-based or evidence-informed and how that determination was made. Include citations to relevant research, evaluations, best practices, or other supporting documentation.

(Required)

Max: 450 words

Briefly describe how your proposed project aligns with the Region 16 Opioid Abatement Council's strategic goals, priorities, and funding objectives. Include the specific strategic goal(s) or focus area(s) your project supports and explain how the proposed activities will contribute to the Council's desired outcomes.

(Required)

Strategic Pillars: Prevent and Reduce Youth Substance Misuse, Expand Access to Evidence-Based Treatment and Intervention, Increase Recovery Supports, and Increase System Coordination & Data Collection

Max: 450 words

Does your proposal include the service of rural, underserved, or limited-access communities?

(Required)

- ☐ Yes
- ☐ No

Do you have formal agreements or partnerships from other agencies or organizations that are contributing to or supporting this proposed application?

(Required)

- ☐ Yes
- ☐ No

What specific deliverables will your organization produce during the grant period, and how will each deliverable support Region 16 Opioid Abatement Council priorities, approved funding categories, and measurable opioid abatement outcomes?

(Required)

Applicants should list the concrete products, services, activities, or milestones they commit to completing if funded. Deliverables should be specific enough for the Council to monitor progress and evaluate performance. Strong responses should explain what will be delivered, who will be served, where services will occur, how much will be completed, when it will be completed, and how success will be measured.

Max: 450 words

Please provide a high-level timeline of your program. What are key dates and milestones the Council should be aware of? **(Required)**

Max: 450 words

How will you measure and report progress toward the intended outcomes of this project? Describe the performance measures, data collection methods, and evaluation processes you will use to assess success.

(Required)

Applicants should describe how they will track, evaluate, and report project performance, including outcomes, measures, targets, data sources, reporting frequency, and how results will improve services. Responses should connect activities, outputs, and outcomes to the Council's priorities for prevention, treatment, recovery, and system improvement.

Max: 450 words

Relevant Experience and Sustainment

Please describe the relevant experience of your organization and personnel and their capacity to complete the proposed program.

(Required)

Max: 450 words

How will the benefits, services, or outcomes of this project be sustained after opioid settlement funding ends? Describe your plan for long-term operational, financial, and organizational sustainability.

(Required)

Max: 450 words

Budget and Supplemental Information

Provide a brief explanation of how requested funds will be used and why the funds are necessary to achieve project goals. (Required)

Max: 450 words

Detailed line Item budget upload and supporting documentation (Required)

Upload your detailed line Item budget along with any other additional supporting documentation.
